GENERAL CONDITIONS:

1. Navigator Shipping Group represents that it will treat as Confidential any information, observations, data, written material, records, documents, drawings, photographs, customer information, pricing information, processes, tests, market information, products, organization, marketing control, commercial activity of the company, its affiliates or related entities, and will comply with the necessary security measures to protect the company. confidentiality of any confidential or secret information provided by the client.
2. Both parties recognize that clients, operational and commercial processes, projects, service providers, technical and commercial assistance are confidential and subject to confidentiality, in this sense any information that merits disclosure to third parties must be previously consulted and approved in writing between both parties.
3. THE PARTIES, by virtue of the commercial relationship they will establish, agree to:
 1. To handle confidentially the information that is presented and delivered, and all that is generated around it because of the negotiations derived from this request.
 2. Maintain confidentiality of this information and not use it for your own benefit or that of third parties while it retains its confidentiality characteristics or as long as it is handled as a trade or commercial secret related to this request.
 3. Not to use the information derived from and/or linked to this application to promote agreements directly or indirectly with the subcontracted service providers and the end customer.
4. The obligations to ensure confidentiality and prevent the disclosure or inappropriate use of the information provided and generated in the implementation of the requested services shall survive the expiration or termination of any agreement reached and shall continue in force in perpetuity from the date of expiration or termination of the agreement that may be reached.
5. Unless otherwise provided in writing by the parties, all information submitted for the purposes of this request shall remain the exclusive property of the party providing it and shall only be used by the other party for the purpose of properly performing the requested services. Neither party will use this information for any purpose that may be directly or indirectly detrimental or may pose direct or indirect competition against the other party or any of its affiliates or subsidiaries.
